

Spring 2025

HS/SS/LM

As design and technologists, we will design, make and evaluate a final product incorporating an electrical circuit that fulfils the design criteria.

As artists, we will use ideas gathered through the analysis of the work of Van Gogh and Hockney to create our own still life drawings of chairs in colour and continue to develop our own personal style.

Make sure you check your Marvellous Me for updates on your child's progress and achievements!

In Spanish, we will continue to use the correct vocabulary in short conversations.

Book recommendations

- ⇒ Pig-Heart Boy by Malorie Blackman
- ⇒ The Marvellous Adventure of Being Humans by Dr Max Pemberton and Chris Madden

As musicians, we will use the pentatonic scale and create a composition inspired by messages in the music appraised.

As historians, we will draw conclusions, and identify causes, changes and consequences as to why an individual may emigrate or migrate, drawing on both historical (and geographical) factors. Also, we will communicate historical findings, in relation to settlement and movement of people.

As mathematicians we will: continue to develop our skills and knowledge with the aim of being 100% prepared for our SATS tests. Amongst multiple domains, we will look at percentages and decimals.

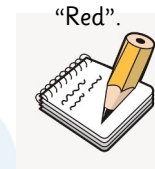

In our PSHRE lessons, we will identify and discuss the steps needed to achieve our goals, recognising we may need resilience to achieve these. Also we will explain different ways of keeping healthy.

As Scientists we will: identify and name parts of the human circulatory system. We will also understand the function of our hearts, blood vessels and blood. We will also classify living things in groups, according to our observations.

In our geography lessons, we will draw conclusions and identify causes, changes and consequences as to why an individual may emigrate or migrate, drawing on geographical factors. Also, we will communicate geographical findings in relation to settlement and movement of people.

As writers, we will write a conquering the monster/rags to riches story taking inspiration from the story "Pig-Heart Boy". We will then write an explanation text about how the heart/circulatory system works. Also we will be writing a tale of fear, taking inspiration from the story

As sportspeople, we will choreograph a group performance, demonstrating a combination of movements, balances, counter-balances and lifts. We will also continue to build our attacking and defending skills in football and rugby.

As well as this, we will be keeping up to date with current affairs and discuss how these link to our British values and protected characteristics.

Additionally, we will continue to send maths homework home weekly and set up regular TT Rockstar competition for the children to take part in. Please encourage your child to complete their homework and go on TT Rockstars as it will really help them with their SATs.

In our Religion and world-view lessons: we will look at the different end-of-life rituals from different cultures and religions from around the globe. As well as this, we will compare the Easter story as told in the four gospels.
