

Year 2

Autumn 2024

Mrs Wilson/Mrs Eskrett and Mrs Ellis

As Geographers we will be

comparing the places of Wawne and Hull; identifying the land use and features commonly found in villages and cities. We will be visiting Hull City Centre and Wawne to conduct fieldwork.

As Historians we will be

looking closely at Bransholme and Hull and identifying how they have changed over time as well as why this change happened.

As Artists we will be

exploring sea-themed artwork by Turner and Matisse and looking at how they have used colour and shape in their work. We will be developing our painting and printing skills to create our own seascape using multimedia.

As Musicians we will be

listening to a traditional folk song about the sea before composing and performing a piece of music inspired by the song *A Sailor went to Sea...*

In English we will be

writing our own warning tale based on the story *Kassim and the Greedy Dragon* and our own finding tale based on the story *Emily Brown and the Thing*. Using these stories as a stimulus, we will also write instructions and an explanation text.

In Maths we will be

developing our place value knowledge using numbers to 100, before adding and subtracting within 100. We will be finding different ways to make the same amount using money before learning our 2, 5 and 10 times tables.

In PE we will be

creating a sequence of movements using jumps, balances and rolls in Gymnastics whilst in Games we will improve our accuracy when throwing and catching a ball.

As Design Technologists we will be

developing our cooking skills when we adapt a sweet muffin recipe to design and make a delicious savoury muffin.

As Scientists we will be

looking at everyday materials and suggesting why a material is suitable for a particular job.

As Computer Scientists we will be

exploring how information technology is used in a range of objects found inside and outside our homes and school. We will also talk about the importance of E-Safety and being kind online.

In Religion and World Views we will be

looking at the stories of Adam and Eve and the Parable of the Good Samaritan before looking at some of the rules Christians and Jewish people live by and why they follow these rules. We will also look at how Christians celebrate the festival of Christmas.

Make sure you have your child's Marvellous Me code so you can keep up to date with their achievements next year.
